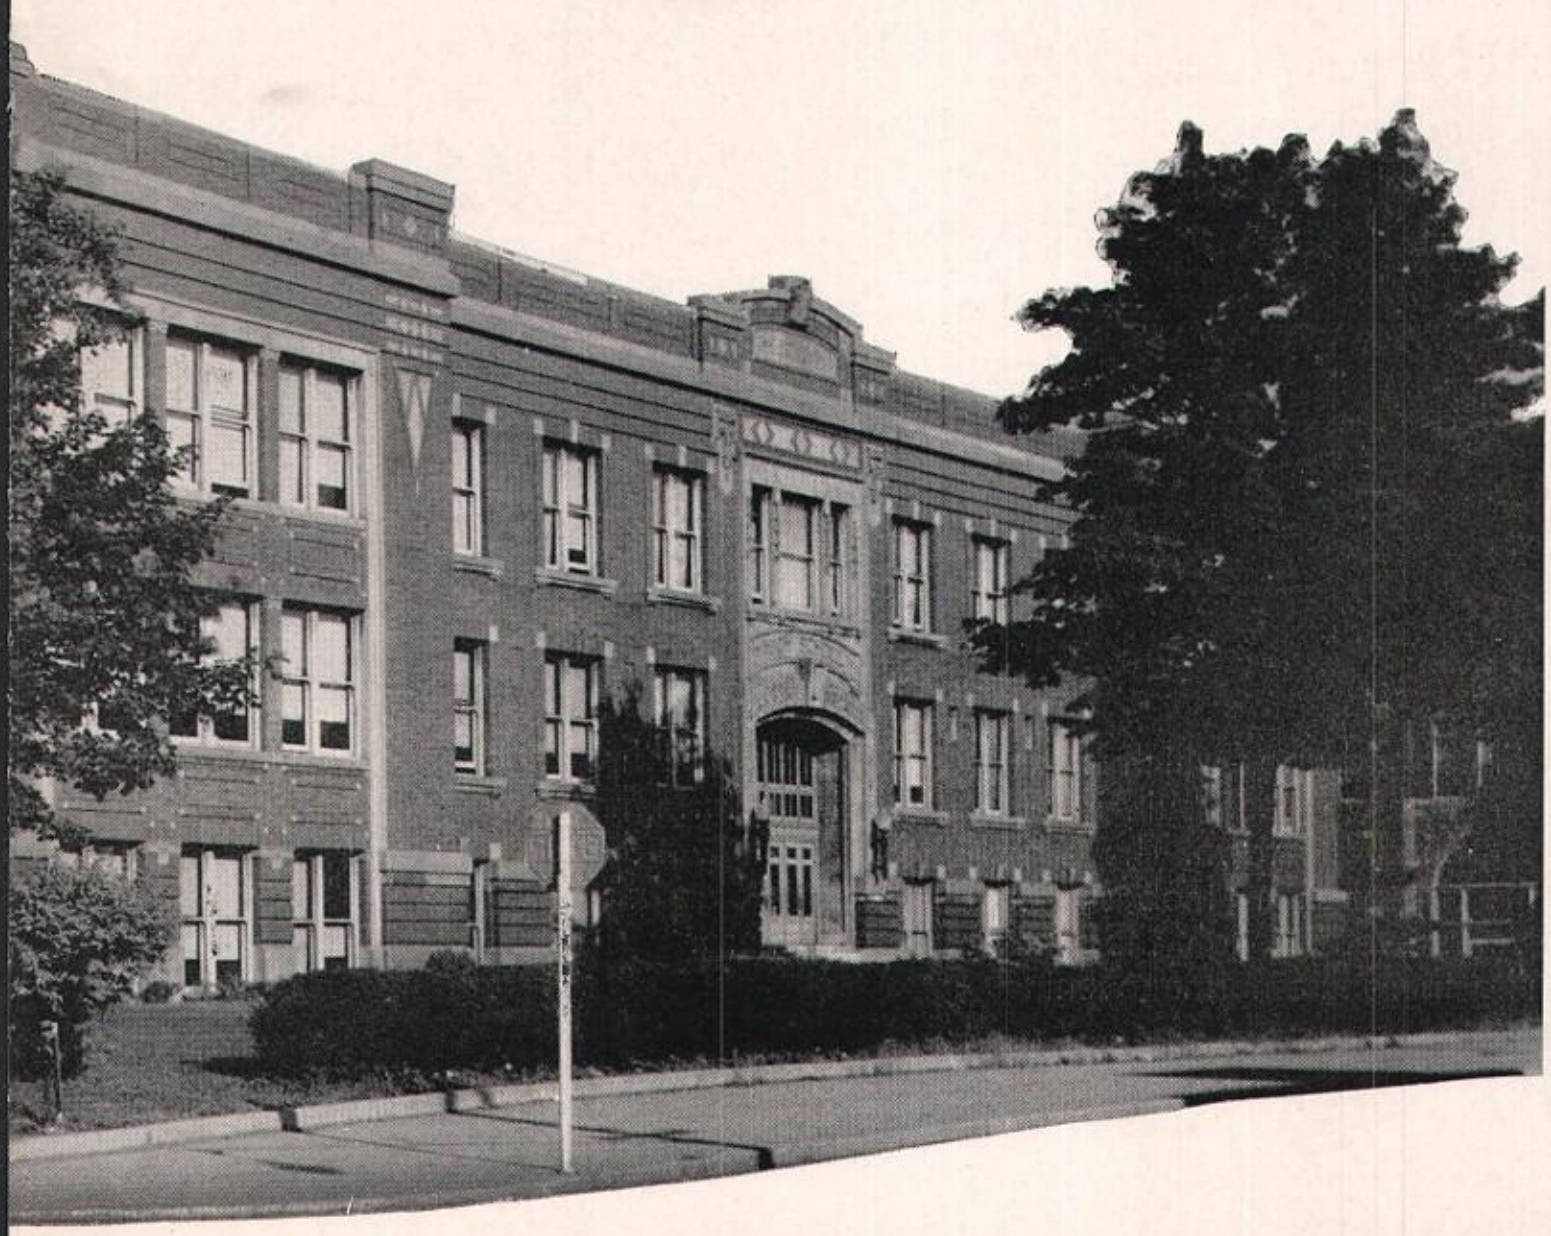
. . . the fevor of a crowd at a basketball game, with the concentration of students reciting, with the softness of two in the moonlight, and all of the intermediary possibilities. Realizing the presence of all this vocal expression, the staff of the Indian decided to show in more detail through use of prose and pictures how Anderson High Speaks.



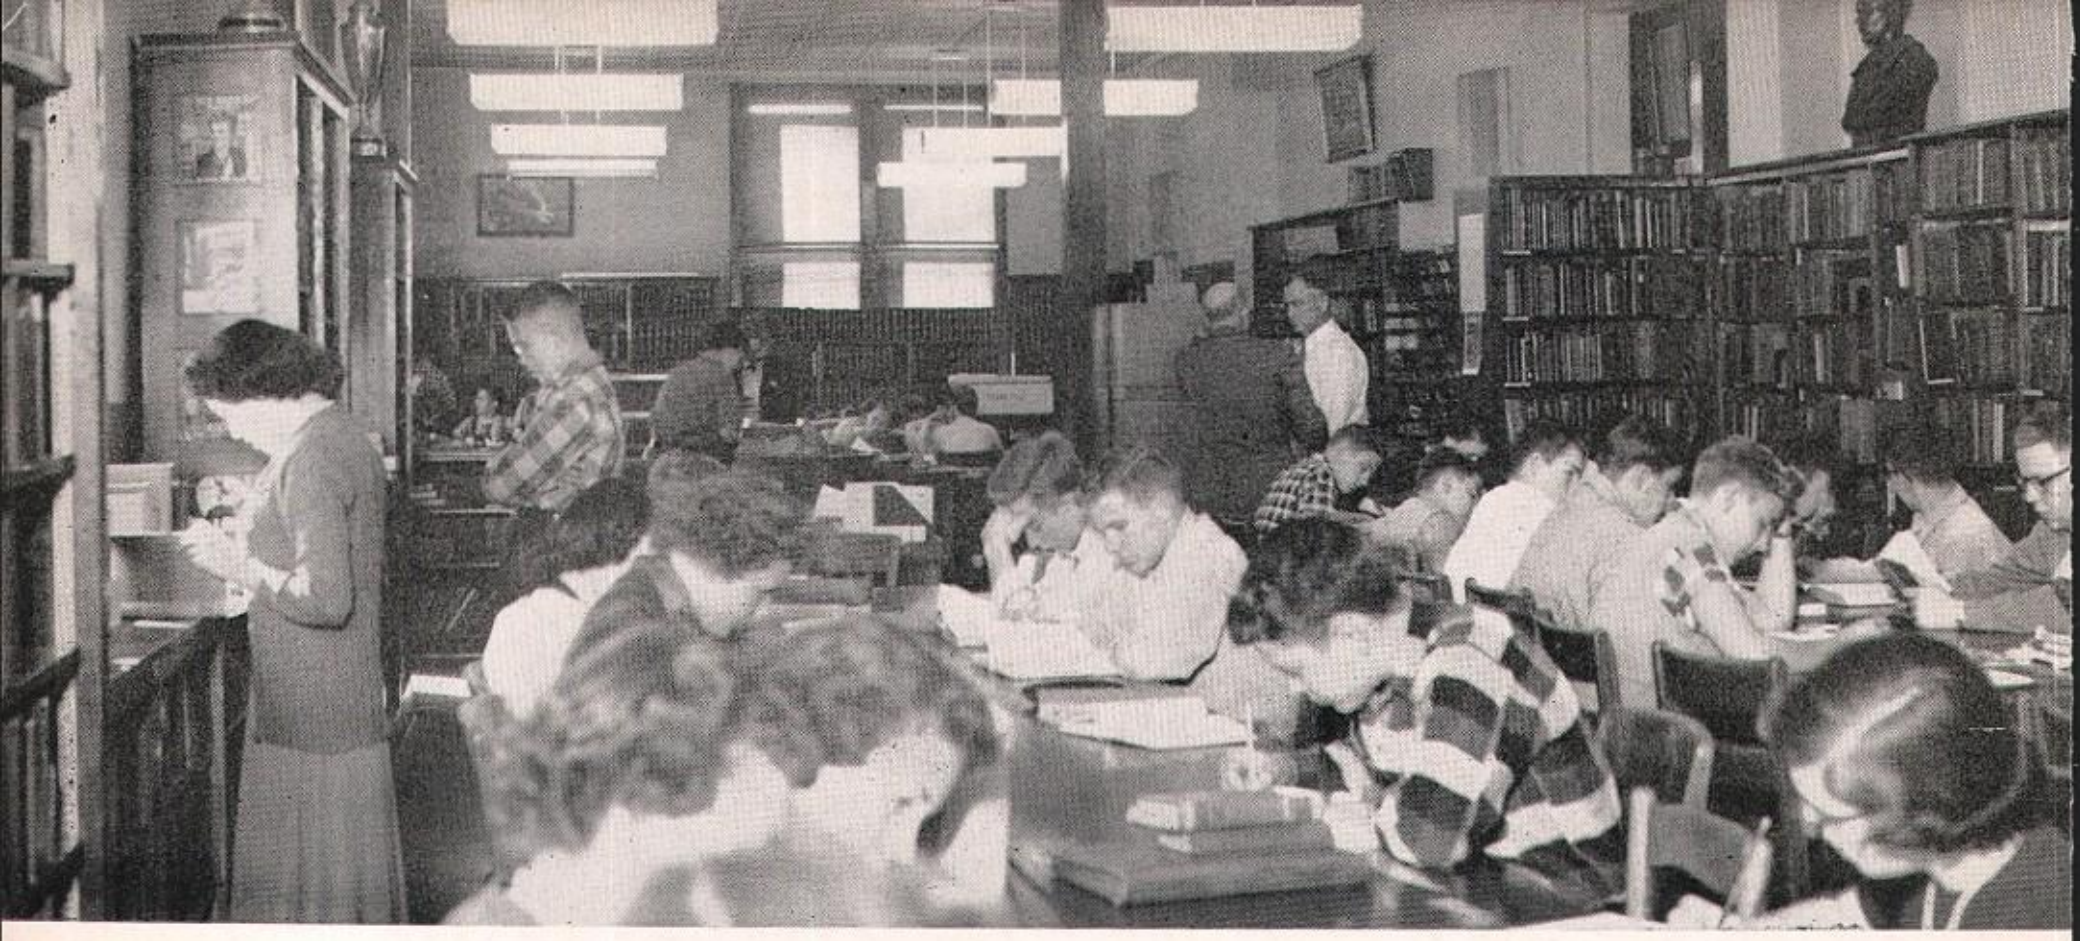
The "Wall Flowers" and the "Cats" meet at the club after the big game.

Hi, What Do You Say?

It was just a timid lead upon which thousands of conversations have been built in the recreation spots around the town. The Club Tom-Tom was the site of many mob scenes after athletic events even though the most exciting happening there in a normal evening was sweating through the "Bunny Hop." About mid-term the Indian Room opened at the Y. M. C. A. and was packed for weeks by the inquisitive and those who wanted a change of atmosphere.

Curious but slightly bored.

The Indian Room crowded at one of its first showings.



Classroom Observations Explained The Textbooks

Although most of what we will remember about high school will be the clubs, dances, parties, and the other after-hour activities, the reason for the school is the six hours we spent each day in the classrooms. Most of the rooms in A.H.S. have nothing but desks in them but some like the library and the physics laboratory are equipped somewhat more.

Above students are pictured taking advantage of the research and reading facilities of our library which meets the standards for a good high school library. Below students are watching high frequency electricity at work in the physics lab.

Convocations Informed Students In Many Ways

Throughout the year to break the monotony of classes and to give us first hand knowledge of the experiences of others the convocations were scheduled. Doctor George Crane, nationally known columnist and psychologist, was brought to us through the aid of the American Association of University Women. He spoke about our futures and of ways to live without worry.

Three athletic awards convos and two other awards convos honored outstanding students who took active parts in school life and showed outstanding abilities. The athletic convocations came at the ends of the fall, winter and spring seasons at which times the numerals, montigrams, and letters were given to the boys and they in turn gave to the school any trophies which they might have won.

Ralph Cochran was one of the most outstanding and inspiring speakers of the year. He told of the many troubles he has had and of the problems he had conquered while gaining his Ph. D. at Purdue University in the field of guidance for the blind.

We also took time out for some entertainment when the Singing Hoosiers from Indiana University came up for a morning. In this choral group there were more students from Anderson than any other city. Along with this group came Clair Nunn and the I.U. Queens who afforded some variety in the show.

Campbell Named Homecoming Queen

This year we witnessed the second annual homecoming. It was planned by a faculty committee, the student council, numerous high school clubs, and with the cooperation of many merchants around Anderson.

The evening started with a parade through town which consisted of floats made by the clubs and convertibles loaded with students. Although a limit was put on the amount of money that could be spent, many of the floats were pretty and all of them had a unique idea of how the Indians were going to beat the Howe Hornets that night in the football game. Much ingenuity was shown in the various floats. Farm wagons and flat bed trucks which had been borrowed for the night were used to carry the floats. Almost every imaginable type of decoration was used, including antiques and beautiful girls.

The student body had elected Shirley Campbell Queen of the Homecoming earlier. She and her court rode in the back seats of convertibles out to Denny Field. These five girls are shown above after Shirley had been crowned queen during the halftime activities. Shirley is also shown in the upper left hand corner of the next page as she was riding in a convertible.

A committee of prominent businessmen judged the floats and awarded first place to the GAA float, marked "The Winning Float" on the right hand page. The National Thespian Society took second place, and Y-Teens took third place.

The football game was lost by the fighting Indians. This put the lid on the festivities of the day.

LATIN CLUB

The Front Hall Was Place To Learn The Gossip

Every morning at eight started our manic circles around the front hall. It would be extremely difficult to explain what motivated us to start walking in the same direction every morning. We did not want to stand and talk because we always walked and we did not want to go any place for we never did. Often students almost too sleepy to stand would trudge over the familiar path hating every minute of it but not thinking at all of doing anything else. We knew many of our friends would be there, so we went and talked about the latest.

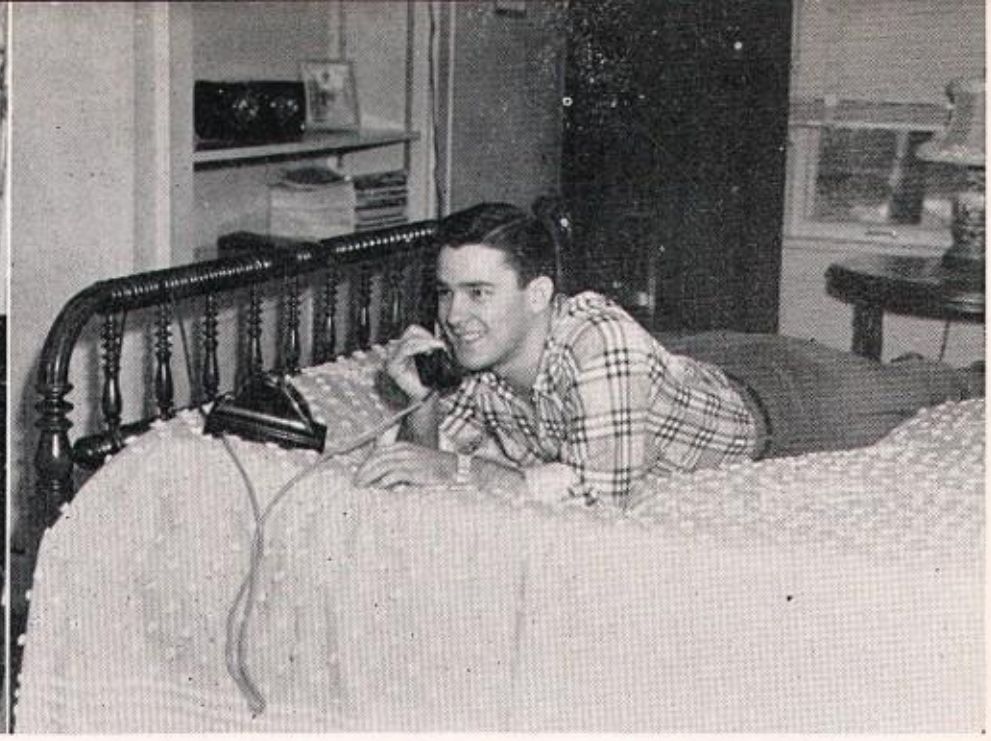
Boys, Girls Chatter After Hours In Indian Room

New to our social life this year was the Indian Room at the YMCA. It has taken the place of the drug stores and other hangouts in the city as the gathering spot. While girls got out and danced a jitter bug to everything on the juke box, the fellows sat back and talked of dates, cars, and politics. The conversations were often repeated, but it was an easy way to kill a few hours.

Oh, I would love to go to the dance with you



Gee, that's swell

We Showed Affections Through Dates

The most carefully planned events of the year were the nights of the big dance. The actual planning started months ahead of the actual event when the sponsoring organization set the date and chose the place and the band. A few weeks before the big night dates and double dates were arranged, flowers were ordered, and formals were bought or started to be made.

This year there were three major dances besides the Junior Prom in which we elected queens. They were the Fall Wind-up for which we elected Sylvia Snyder, the Sweetheart Ball where Janet Blume was chosen, and the Silver Bell Ball at which Kathy Steele reigned. At the Stardust Dance Patty Samuels and Pete Dearing were elected the royal couple for the evening.

Each of these queens was given a crown to wear and a bouquet. After the ceremonies and picture taking, they went to the dance floor and started the dancing while all the other couples watched.

Janet Fitzgerald and Dave Rebeneck have been chosen to typify two sweethearts in their preparation for the dance and the events of the evening.

Convo Committee Gave Chance

"Dig those crazy—?—. How did that get there?

Weeks before the student body thought about it a committee was getting together and laying plans for the student talent convocation. Their jobs were to find the talent among the student body and organize these various individual acts into a show by the use of some gmmick. After having written the script it was up to those in the acts to make the show. With many hours of rehearsals behind them they went to the gym early in the morning to prepare and arrange properties. Soon the show was on.

For Students To Proclaim Their Talents

The student talent convocation was held together by a director, a producer, and their secretaries straight from Hollywood. They were on a talent search, and numerous Anderson students came out to show their skills. Variety was dominant in the show with solos, duets, a sextet, marimba and saxophone instrumentals, a square dance, and stunts. The high point of the whole show was the duet by Curt Hockett and Jim Ault and their rendition of "Onesy-Twosy."

Counselors Told Us How To Get A Job

Many students worked during the year either after school or only went to school half days and worked the rest of the day. These students were often aided by the counseling office in getting these jobs. This is just one of the services rendered by the counseling office.

Freshmen are aided in their adjustments to high school life, and all types of school domestic problems are considered by the trained counselors every year. The counseling has also had much to do with the starting of the special classes and courses of the school, such as the orientation classes and the retailing course.

Tribe Upholds Anderson Tradition Of Basketball

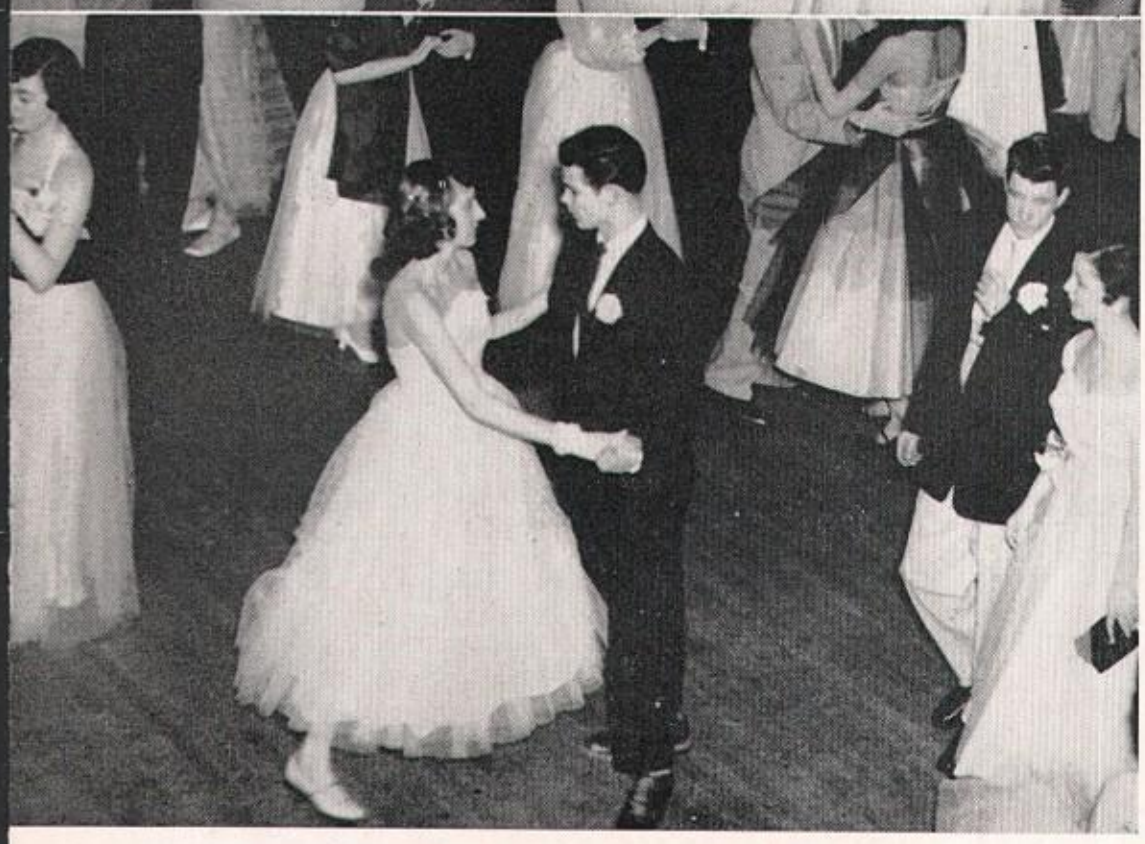
At approximately 8:15 every night of an Indian home game all loyal eyes focus on the center circle and the little man in the white shirt with black - - no, black shirt with white strips - - as he throws the game-opening tip into the air. At this time the Hoosier madness breaks loose with all its force. The game pictured above turned out to be one of the most thrill packed contest of the '52-'53 season. This was the night when the Indians met their torrid N.C.C. foes from Kokomo and were downed 68-66 in an overtime thriller.

But this was just one of the many thrill-packed games which the writers, broadcasters, and scorekeepers who keep tab of the game and corresponding color were on hand to witness. They are the men who with the aid of the referees keep the game moving and under control. Butone time they were unable to cope with the forces of nature as the lights went out causing postponement of the much-publicised Rjchmond - Anderson fracas. But this quirk of the elements only proved further the fighting spirit of Coach Potter's Anderson Indians. They returned to the Wigwam the following evening and turned the tables on the Red Devils as they gained a hard fought victory over the highly talented Richmondites.

Pepooses And Students Whoop It Up

The cheering block known as the pepooses served as a megaphone to the shouts of the rest of the student body. When the team was behind and a game looked hopeless, the cheering block was still there trying their best to win the game for the boys. The block, however, was on its last legs. The student body voted to abandon it after the basketball season this year.

Pictured above is the student section in which the element of excitement was at its peak during the New Albany game.



Registration for the Sweetheart Ball

Night Life Left Us Broke But Happy

The flowers and clothes that had to be purchased for these occasions made big dents in the pocket books but the evening with the registration line, the crowded dance floor, and the snappy jitterbugs left no regrets concerning expenses. Climaxing most dances was the crowning of a girl as queen. At one dance, however, the order was reversed and Jim Ault was named Beau Brummel of AHS.

Senior Week Committees

The Anderson Country Club was the site of the senior-faculty dance this year where the couples danced to the mellow notes of Clyde Trask's band. The members of the committee were: Seated—Phil Hayes, Dave Hiday, Gayle Kern, Jim Ault and Jane Dixon (co-chairmen), Ruth Jones, Meredith Marsh, Dale Benqtson, Karen McCarty. Standing—Roberta Critser, Janet Blume.

Claire Nunn furnished entertainment for the donut dunking seniors at the modified version of the senior breakfast held this year at the Grandview Country Club. Those who planned the event were Jerry Current, Marilyn Stow, Maurice Howard, Lou Iris Parmer, John McNatt, Janet Cox (chairman), Jack Scott, Soteria Pancol, John Yarling, Pat Weatherly.

The Paramount and State Theaters were chosen as the site for the uptown theater party. Students entered the theaters between seven and eight o'clock and settled down for an evening of enjoyment. Those who made arrangements for the entertainment were Jean Anne Ketner, Jim Bannon (chairman). Standing—Jeanine Henning, Jim Brown, Elaine Guyot, Dave Poore, Dick Miller.

A new attraction to senior week was the all-senior circus party. Everyone was required to wear the costume of someone connected with the circus. It was also unusual in that the girls were given a chance to ask boys. The committee consisted of: Row I—Janet Haven, Pat Samuels, Phyllis Falender, Lou Ann Hart, Kathy Steele (chairman), Max Moore, Dick Reehm. Row II—Mabel Kline, Carol Yattaw, Clarke Smith, Joan Diggs, Dave Brown, Tom Templeton.

Part of the senior class fund every year is used to give a present to the school in memorandum of the class. Those on this committee are pictured as follows: Seated—Judy Winkler, Darlene Steves, Judi West, Babs Huber. Standing—Dick Hartzell, Ross Collins, Carol Meiser, Jerry Fox (chairman).

Planned Gala Activities

The senior talent show turned out to be an animated record show with seniors providing the animation and a disk jockey working under the name of Walt Skillets providing the records and commentary. The originators of this show are as follows: Kay Boardman (Choreographer), Walt Bagot (Director), Carol Niece. Standing-Bill Mathews, Bob Miller, Gloria Nighbert.

After the talent show in the morning the members of the class of '53 grabbed their jeans and pedal pushers and headed for Noblesville for the picnic. Marilyn Mills, Don Birt (Chairman), LaNorma Jones, Marvin Roney, and Jerry DuVal made arrangements for the place and the dessert which the class treasury furnished.

Bruce Madren, Shirley Campbell, Jack Riggs, Nancy Schubert, and Kay McCarty (chairman) planned the senior-faculty luncheon. They arranged to be served in the Y.M.C.A. and various talented students gave the day some variety. All members of the faculty and senior executive committee were invited in tribute of four years of association.

In the middle of May the senior registration committee started to function in the audiorium. Any senior who wished to participate in senior week activities had to register with this group. The members were: Standing-Jim Moore (co-chairman), Anne Streaty, Marcella Carpenter, Anne Brown (co-chairman), Myrna Biddle. Seated-Mary Hiday (head of AAUW tea).

Executive Committee Organized Students Activities

Ralph Goldsberry led the freshman executive committee. The members are: Row I—Bill Penn, Prudy Richardson, Ralph Goldsberry, Sherry Bill. Row II—Sally Bissell, Don Kimball, Ronnie Harris, Paula Newbern, Pat Canaday, Jane Gallamore, LaDonna Basicker, Linda Thiel, Wanda Fields. Row III—Rex Boys, Terry Ward, Ralph Willoughly, Joe Crouse, David Sheety, Jack Macy, Ronald Spall, Mike Patterson, Ronald Partain.

The sophomore executive committee worked in the background. The committee consisted of: Row I—Peg Taggart, Joan Lowry, Deanna Trimble, Phyllis Kelly, Verna Otto, Shirley Skaggs, Marge George. Row II—Donna Steirwalt, Sylvia Jones, Dianne Achor, Jackie Gooding, Thea Phelps, Marcia Barron. Row III—Bill Smith, Harry Kirchenbauer, Bob Sample, Bill England, Tom Byrum, Keith Tracy, Linda Granger.

Taking over the candy stand after the sectional was the first step of the juniors to get money for their class treasury. The members are: Row I—Gary Babcoke, Jim Bohne, Glenn Perdue, Don Peck, Bill Bell, Dean Bannon, Jerry Rhodes. Row II—Sandra Highbaugh, Joe Dearing, Don Hoffman, Larry Retherford, Charlene Bonge, Paula Vanderbur, Helen Hall, Kay Collings, Kay Thompson. Row III—Yolanda Breeden, Betty Taggart, Jack Raper, Llye Crouse, Jim Buxton, Ronnie Kunce, Kenny Willis, Phil Foley.

Students Monitored Halls For Wanderers

A number of years ago student council started the monitor system in Anderson. It consisted of placing trusted students in the halls to keep loiterers out of the halls during class time and also to take absentee slips from the various rooms to the deans' offices. For each period one student was named head monitor. It was his job to see that all posts were filled and that the halls were kept clear.

Spring Semester Head Monitors: Bill Harless, Mary Jane Gustin, Leah Mosier, Jacquelyn Ellison, Jerry Current, Dick Miller.

Fall Semester Head Monitors: Lowell Stewart, Marvin Leazenby, J. D. Moore, Gene Wolfe, Mary Hiday, Billie Lea Minniear, Julia Moore.

Five Honor Study Halls Relieved Faculty

The honor study hall monitors are an offspring of the hall monitor system. The students take the place of a teacher in a study hall thus releasing that teacher for other duties in the school. Every period, with the exception of the two lunch hours, one of these students took charge of 207. Students who wanted to be in an honor study hall were put under the monitor's watchful eye.

Fall Semester Honor Study Hall Monitors: Carol Niece, Jim Ault, Jeanine Henning, Dick Hartzell, Jerry Higgenbotham.

Spring Semester Honor Study Monitors: Dave Potter, Norman Jones, Tom Bennett, John Yarling, Gene Wolfe.

Caps And Gowns Tell Last Page Of Story

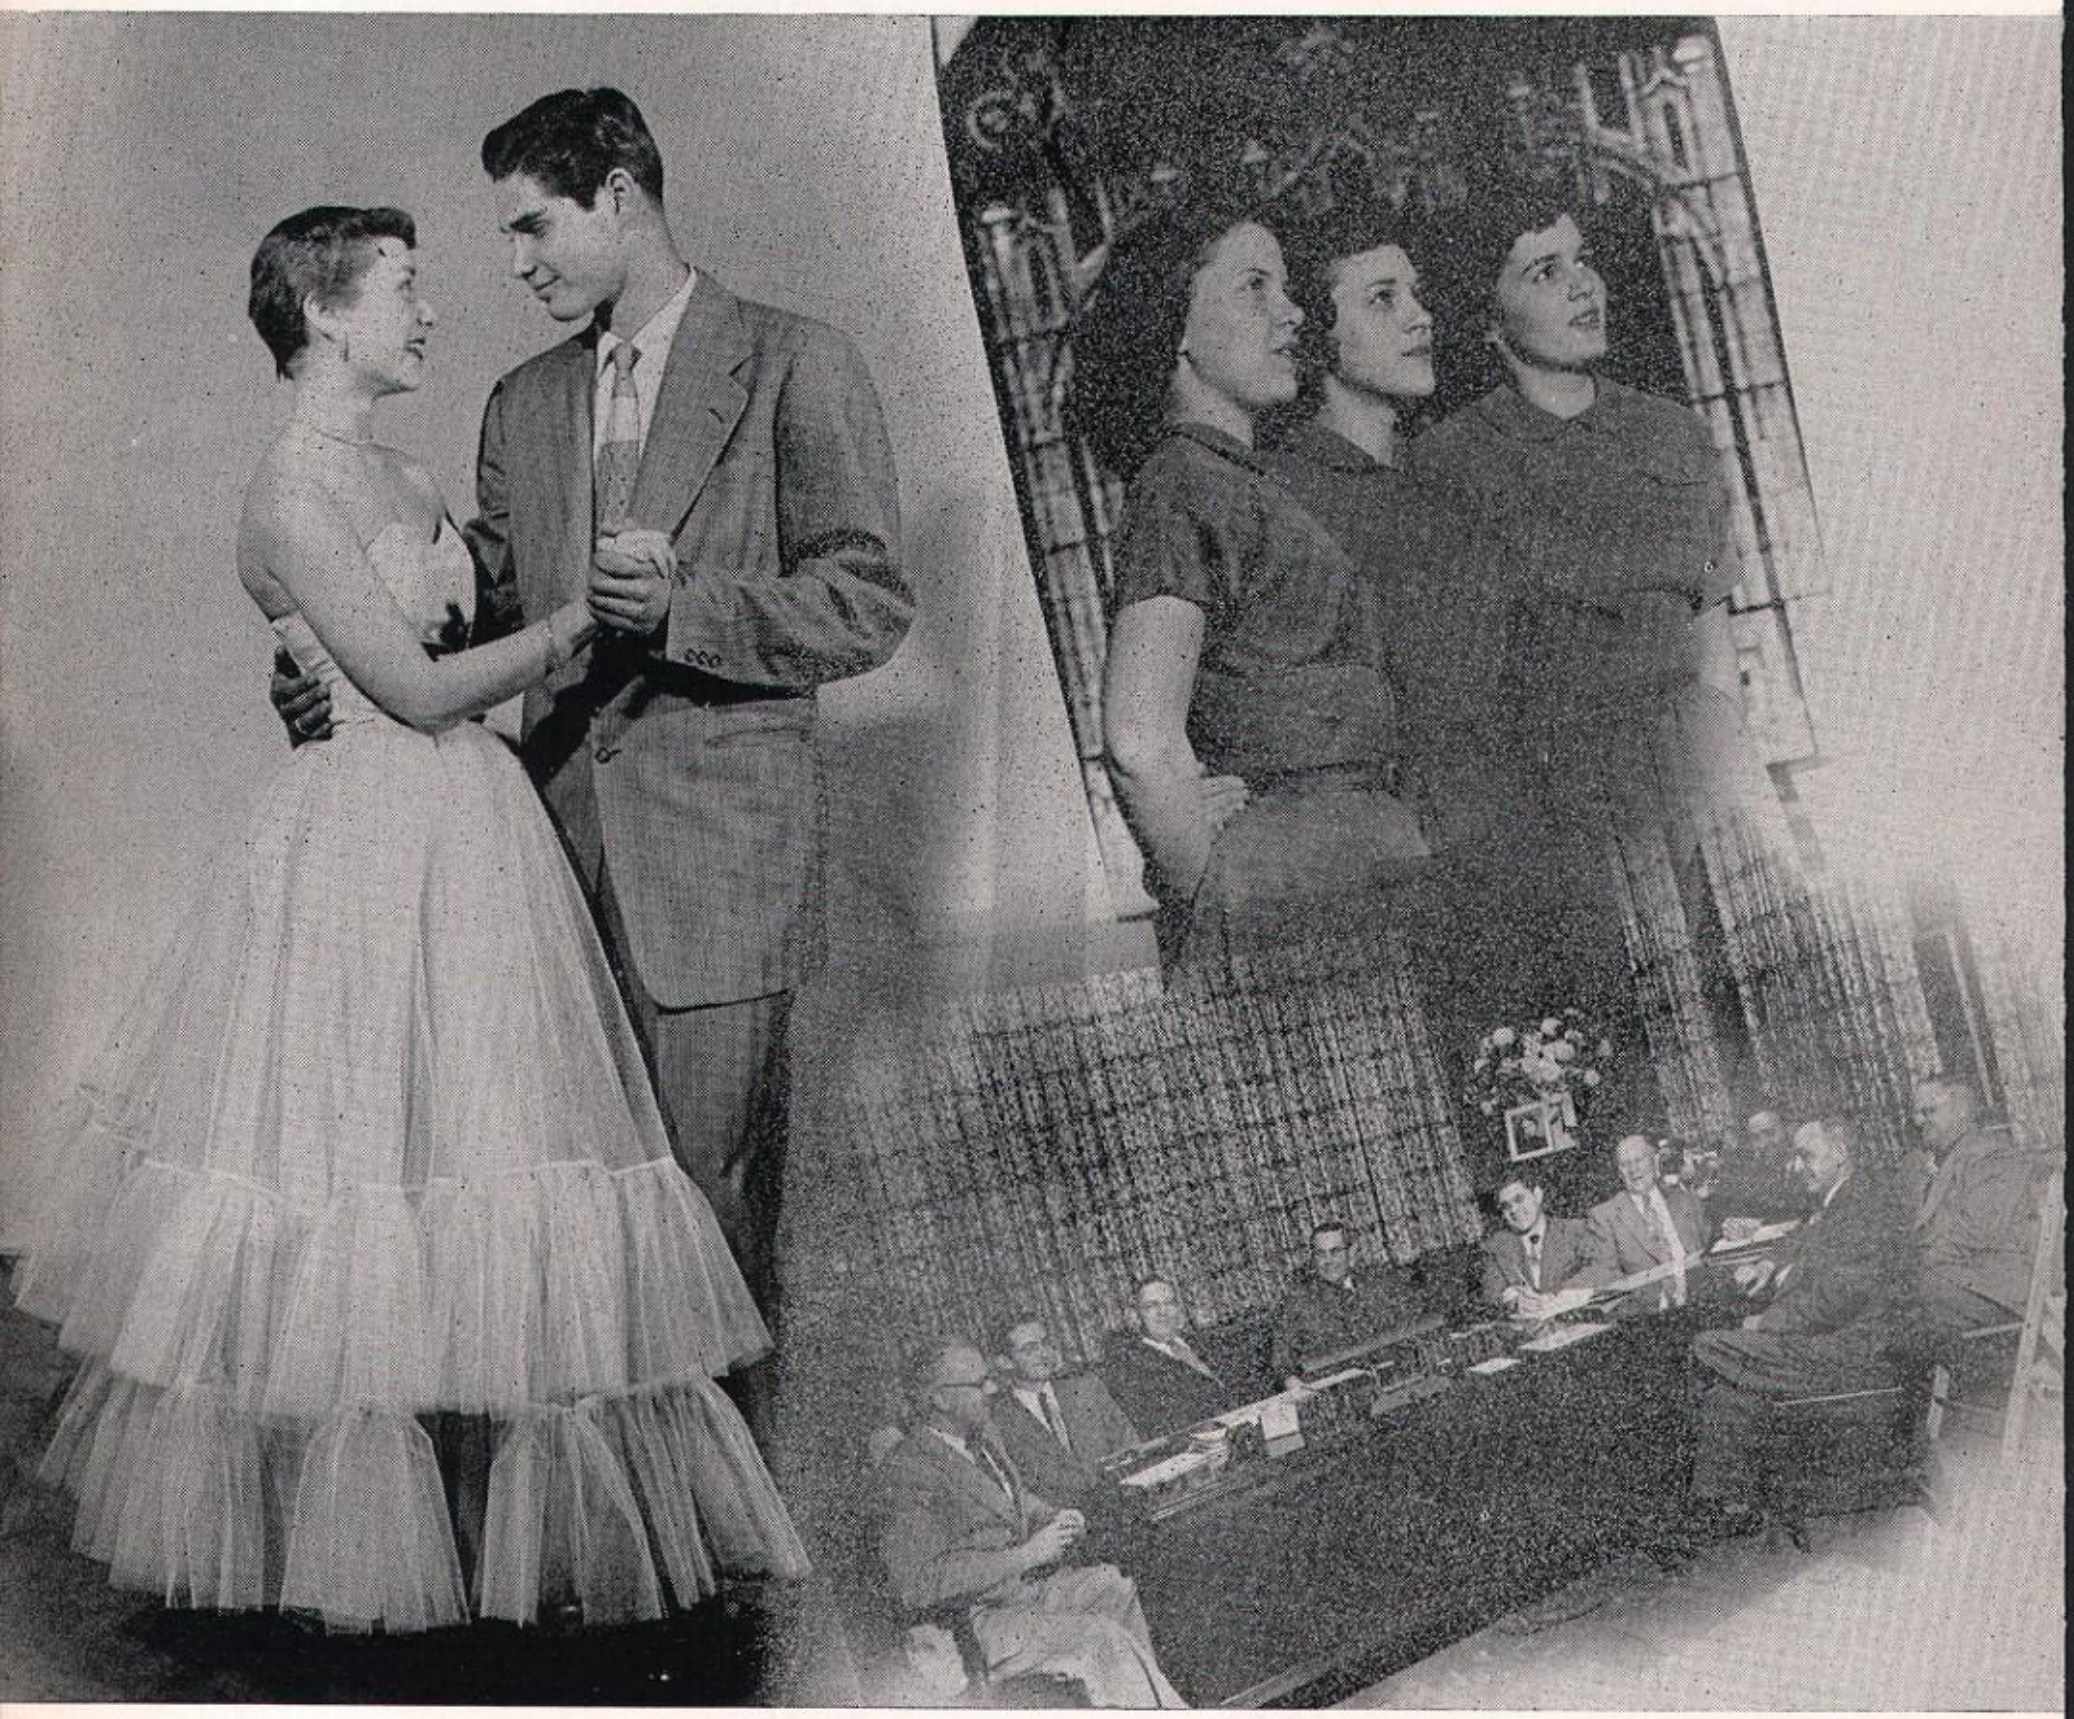
This is the finale to a four year show. From the time the freshman sees the senior attired in his cap and gown he has the desire to wear one himself, which provides the boost for better academic work. The members of the class of 1953 have attained this goal as typified by the six seniors in the above picture.

The class of 1953 has lived in the halls of A. H. S. for four years but like all other classes must go on to live a new life in the world. Up until now we have been unified by school spirit, but now we are to be divided by many different occupations.

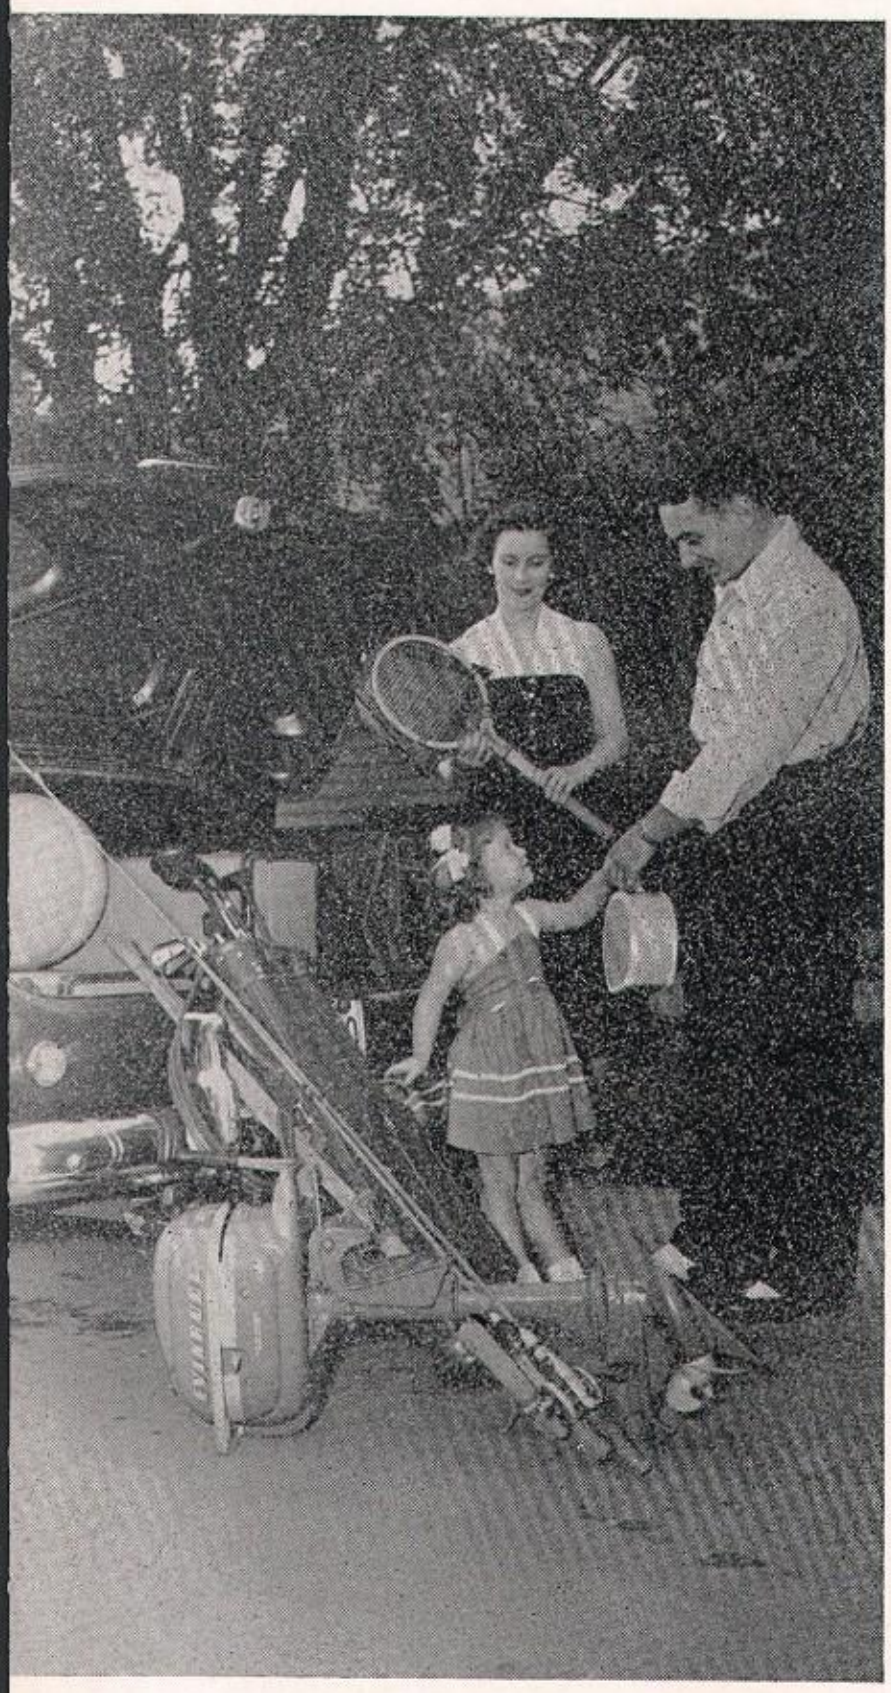
The members of the class of '53 are like the members of many other graduating classes in that they passed the inlaid words of wisdom at the top of the stairs in the main hall without comprehending their full meaning. But now these words, "Knowledge Is Power," begin to take meaning as they prepare to step forth into the world of beckoning uncertainty. The class of '53 showed it realized the meaning of the words "Knowledge Is Power" when they procured Dr. Ralph Sockman to address the commencement exercises. In doing this the class broke away from accepted tradition of having student commencement speakers.

The commencement on the night of June 4 ended weeks of marching practice, a joyful senior week, and four years of school achievement; all this was climaxed by the tears and reminiscent thoughts during the commencement program.

Activities



Organized Associations Through Clubs Will Speak For Happiness With People



Getting along with others is the theme of our activities in high school. These early contacts with organizations help develop habits which will make living happier and easier when the time comes for us to make our own decisions. Pictured to the right of the two high school students, Tom Templeton and Nancy Schubert, who are dancing, are some ways in which such associations may become useful. Singing in which harmony is a necessity, a board meeting that requires orderly and friendly atmosphere to keep an industry functioning, and a family in which happiness is a supreme factor in its continuance.

Aiding the students in parking their cars, the cadets try to ease the traffic problem around school.

A new shelter house was built this year in the parking lot, where the Cadets were assigned to watch the parking lot.

The Cadets play a big part in solving the traffic problem.

Librarians

Different groups of assistants work in the library each period of the day, doing several useful jobs. The library assistants check out books and replace them in the shelves, and help other students find research material. This busy bunch also makes the bulletin board displays for the library.

Thespian Apprentices

The Thespian Apprentices are beginning students interested in dramatics who are working to get enough points to join National Thespians. Members of the club earn these points and learn to produce plays while they assist in the National Thespian's programs. Besides the Apprentices seen in the cast, there are many others behind the scenes helping with the stagework and lighting. They also do much of the makeup and costuming, and other backstage jobs. The directors of the Thespians' plays and sponsors of the two groups are Miss Lois Long and Miss Alice Higman.

Play Cast—Left To Right: King Clark Smith, Lady Nancy Schubert, Miller's Daughter Lou Iris Palmer, King's Son Dave Wellington, Rumpelstiltskin Marilyn Mills, Guard Gary Schuster, Guard Fred Scott, Miller's Wife Sue Shaul, Attendant Thea Phelps, Miller Dick Wirt, Attendant Janet Howard.

National Thespians

The lights go down in the dim theater, the curtain rises, and the scene begins. The players are the Thespians of A.H.S., our future Bankheads and Barrymores. The requirements for membership is 100 hours or 10 points of work in any field of dramatics. The club produces two plays for the public yearly, and also gives short plays at its meetings. This year's major plays were "The Divine Flora" and "Rumelstiltskin," which was given for school children.

Writer's Club

Members of the Writers Club enter short poems and essays in the national publications "Young America Sings" and "Young America Speaks."

Students who belong hope to continue writing after school.

The main reason for this club is to promote creative writing.

riter's Club: Row I—Mary Hollis (vice president), Shirley Clendenin (president), Jerrie Haven, Mary Grigsby, Irene Davidson, Shirley ed, Emily Philpot. **Row II**—Bette Line, Roberta Streaty, Anne Streaty, Miss Thurston, Joanna Hall, Nancy Keith, Donna Clark.

Miniwanca Council

The members of the Miniwanca Council have attended one of the summer Leadership Training Camps at Camp Miniwanca near Shelby, Michigan. Several hundred students from all over the United States, Canada, and many other countries assemble there each year. One of the main objectives is to study and participate in the four phases-social, mental, physical, and religion-of balanced living. The local group attempts to interest students in attending Camp Miniwanca.

Bible Club

To further Christian education in our high school we have the Bible Club. The Bible Club meets every week on Thursday at 3:30. Every week students from this club have devotions over the p. a. system.

One of the main projects Bible Club has is passing tracts at the basketball games. During the year students listen to speakers and singers.

Bible Club: Row I—Patty Sheets, Ruth Lycan, Barbara Jo Brown, Carolyn Preston, Pat Davis, Barbara Fossmeyer, Virginia Crawford, Roberta Streaty. **Row II**—Alice Day, Janet Swetnam (Secretary Treasurer), Francis Baughan (Vice President), Shirley Reed, Inez Rousey, Donna Clark, Joan Schattner, Rosalee Collis, Anita Hughes. **RowIII**—Mr. Fred Weaver, Katie Wolgamott, Carolyn Friermood, Alyce Taylor, Betty Skillman, Donna Chapman, Joan Carter, Barbara McVey, Joane Trick, Judy Capron. **Row IV**—Carl Bonner, Don McGee, George Hopkins, Walt Chapin, Lemond Auker, Forrest Imel (President).

Junior Conservation Club

The Conservation Club is open to any boy in Anderson High School who is interested in hunting, fishing, and perserving wild game.

Under joint sponsorship with the Sportsmen's Club, the Conservation Club has had a wide varity of programs this year. Some of these consisted of speakers talking on rifle shooting, training of bird dogs, hunting, and fishing. Early in the year a trip was taken to the Sportsmen's Show in Indianapolis, where the boys viewed many interesting exhibits.

To cooperate with the local Sportsmen's Club and promote conservation in the school and community is the purpose of the Junior Conservation Club.

The Club ended it's activities for the year by taking a trip to McCormick's Creek near Spencer, Indiana.

Junior Conservation Club Officers: Mr. Robert McDowell, Sponsor; Gerald Carroll, Vice-President; Larry Retherford, Treasurer; Bob Reveal, Secretary; Malcolm Young, President; J. D. Moore, Sergeant-at-Arms; Mr. John Finney, Sponsor.

F. F. A. Officers: Jess Etchison, Reporter; Don Hoffman, Vice-President; Jim DeShon, Sergeant-at Arms; Don Smith, Secretary; Newell Hull, Song Leader; Bill Schalk, President.

Future Farmers Of America

Anderson's chapter of the National F. F. A. was organized in 1935 as the 51st chapter in Indiana. Now, eighteen years later, the club has about 40 members and almost as many activities.

Among projects handled by the local F. F. A. are the stock judging contests between county schools, breeding and raising animals, and exhibiting prize stock in the State Fair. The club studies farm safety and goes to agricultural programs sponsored by the county agent.

The Future Farmers Club, which is similar to the 4-H, also has its basketball team and sponsors such activities as an annual skating party and several square dances. Members of the club sell magazine subscriptions each year to raise funds for these and other club events at their weekly meetings.

Honor Society

Honor Society is a club for juniors and seniors who have maintained a high average without any D's or F's.

One of the Honor Society's most beautiful occasions is the initiation of new members.

This year the Club had a Christmas party in which several boys competed in making cookies. Also, members bought toys and they were given to the Children's Home.

Highlighting the season is the Pro Merito dipolmas which are given to seniors with a minimum of 63 points.

Junior Red Cross

Not heard about too often are the helpful activities of the Junior Red Cross. The members of this group work on the Red Cross drive and help in various other ways. Gift boxes were sent overseas to soldiers and cookies were sent to Korean orphans.

Besides giving aid to Andersonians, the Red Cross helped with the Thanksgiving and Christmas drive.

As in previous years, our Junior Red Cross will continue to lend that helping hand as we students of Anderson High School give our whole hearted support.

Junior Red Cross Officers: Joan Diggs, President; Pat Davis, Secretary Treasurer; J. D. Moore, Vice President.

Latin Club

The Society of Roman Youth, composed of one hundred members, is open to all students studying Latin or who have previously had one year of Latin. This club is affiliated with and is a chartered member of the National Junior Classical League. The purpose of the club is to encourage an active interest in the culture and art of ancient Greece and Rome and also to raise funds to purchase various equipment for the use of Latin classes.

One of the main projects this year was the selling of Christmas cards and wrappings. Another one was the Latin banquet held in April.

Miss Dorothy Campbell and Mr. W. H. Forse have been guest speakers at the meetings during which they spoke about their European travels. Movies slides and short skits have also been given by members and presented at the meetings.

The motto is "Veritas vos liberabet" (The truth shall make you free.) The colors are Roman purple and white.

The first Latin Club in Anderson was organized in 1923. The daughter of the secretary of that club is a member of a 2A class and of today's club.

Orchestra

Playing for the Senior Class Play is only one of the many activities of the orchestra. Headed by Mr. Thomas Clem, the orchestra plays for certain convocations, Parent Teacher's meetings, and the City May Festival. Most of the players of the orchestra have been playing over five years and hope to continue in the field of music.

Also participating in many activities are the majorettes who play a big part at the basketball and football games by adding color and spirit with their marching and baton twirling.

Some of the majorettes attended a summer baton school at Butler University, which the girls enjoyed and found helpful. Besides marching at the games, the majorettes march with the band at various parades and also at the band convocation.

Choral Club

Choral Club is the best-known of the music groups at AHS. In their forest green robes and red satin stoles the members of Choral Club are a colorful and unusual choir, singing everything from rounds to hymns. The club sings for social groups during the year and gives its own concert before Christmas.

To be a member of Choral Club a student must first belong to Boys' or Girls' Glee Club for one semester. Then when tryouts are held the next semester, the student can tryout for Choral Club or one of the other singing groups. At the vocal music convocation in May, the graduating members of Choral Club present their stoles to incoming members in a ceremony that has become an AHS tradition.

Choral Club has many various activities during the year, which include many program and other extra-curricular activities.

This year Choral Club started a new exchange program with Warren Central High School. Anderson High School Choral Club visited Warren Central at the first of the year, presenting a program to the entire school. In April Warren Central returned Choral Club's visit by presenting a program at Anderson High School.

Torch Club Officers: Sitting—Jerry Gray (Vice-President), Barry Gaar (President), Myron Brown (Treasurer). **Standing**—Norbert Jones (Secretary), Don Ellison (Sergeant at Arms), Dave Brown (Chaplain), Vaughn Pettigrew (Sponsor).

Torch Club

Torch Club is a YMCA club for freshman and sophomore boys, a younger Hi-Y group. At the club's meetings members hear speakers or have movies. During the year Chief of Police Coen spoke at the club, and other speakers were Robert Daubenspeck and Mr. Lane Ward of the Pendleton Reformatory. At another meeting Coach James Carter talked, and State Police also gave a program.

The program of the year for Torch Club is their Easter sunrise service which was held in the gym this year. Some of the other activities were a skating party and a picnic this spring.

On a field trip members of the club visited the State Police Barracks and were shown through the radio station. A trooper explained the communications system to the group.

Hi-Y Welcome Older Boys' Conference

Junior and senior boys make up the club known as Hi-Y, a group that takes an active part in the social scene at AHS. In the past year Hi-Y has held a swimming party, a picnic, a crosscourt basketball tourney, and a square dance for its members as only part of its activities.

Highlights atsome of the meetings were a talk by Carl Erskine and a talk by W. H. Forse, who told anecdotes about his travels in South America. Members of the club saw a demonstration of magnetism and electricity given at anothetr meeting. A movie about Diesel race cars was shown, and many other interesting meetings were held.

One of the most important events in this year's Hi-Y program was thet Older Boys' Conference, a convention of delegates from all over Indiana. About 335 boys were at the conference, and a big problem was finding housing for the out-of-towners who stayed in Anderson for the two days the conference lasted.

The program featured addresses by Dr. Humbert of DePauw and Dr. Nelson from New York City. The theme of the conference, "A Faith for the Future," was discussed in eight groups.

Hi-Y Acts As Santa Claus' Helpers

Among well-known activities of the Hi-Y Club are the line of dimes and the children's Christmas party. Every year members of the club can be seen downtown collecting money for their line of dimes to help needy children. The Christmas party is given in the gymnasium and over 700 children attended it this year. There were toys and candy for everyone, and of course the guest of honor was Santa Claus. Movies were and Dave Wellington gave a magic show to entertain the guests.

Senior Y-Teens

Senior Y-Teen girls gather at the YWCA to enjoy devotions and a variety of programs. The Y-Teens have been treated by having a fashion model, Coach Carter, Coach Potter, and Mrs. Deaton, who display unusual dolls.

Among the activities carried on were the Silver Bell Dance, Mile of Pennies, and the Jeans Jamboree.

The Jeans Jamboree was held to raise money for the treasury. The Silver Bell Dance was sponsored by all Y-Teen groups and the money was to collect supplies to send to foreign countries. The Mile of Pennies was also to collect supplies for overseas.

X-Ray Narrated Past, Present, Future

The X-Ray has played an important part in the affairs of AHS ever since it was started 60 years ago. This publication is familiar to every student as a calendar of coming events and a bearer of the latest school news.

The staff changes each semester, keeping some of the old members and adding new ones.

In spite of misspelled names (which cost a Coke apiece), photographers who get their fingers in front of their lenses, and zany ideas which usually prove unsuccessful, The X-Ray comes out on Friday morning, reflecting long hours of work on the part of typists, linotype operators, reporters, pressmen, engravers, editors, photographers, and the business staff.

Meredith Marsh, fall semester editor-in-chief, and Judi West, spring semester editor-in-chief, combined with Printing Advisor Claude Barner and Journalism Advisor Lee Pursley to help The X-Ray live up to its slogan, "seeing through life at AHS."

Print Shop

All printing for the entire School City of Anderson is done by the Anderson High School printing staff. The print shop students, under the supervision of Mr. Claude Barner, also print The X-Ray, Little Chief, and Annual. Anderson is one of the very few schools which have their own printing shop and whose students do all the printing.

Few groups contribute more to high school life than the printing shop. In addition to the printing of school activities, Mr. Barner's class has charge of the printing material for the administration of the high school.

The printing classes also do a large amount of work for different organizations and individuals of the school.

Teamwork Developed In Today's Athletics Will Speak For Tomorrow's Success

The most important factor in winning athletic events is a high degree of teamwork. This same cooperation with fellow workers is the keystone to success in society.

The pictures to the left show a few occupations in which teamwork is especially important. These are the newspaper industry which must in cooperative effort produce an edition every day, the radio which has to fill hours of time every day, public protection, and factory assembly in which efficiency and continuous effort together make industries profitable.

Tribe Has Best Record In Many Seasons

Experience, practice, talent, and coaching by James Carter collaborated this year to bring the Anderson High School football squad a 6-won, 4-lost record, the best in many years.

The Indians lighted their football powder keg on September 8 with a tremendous drive that brought the squad a topsided 52-to-6 victory over the Tipton Blue Devils. The next foe on the Indian path was the Lebanon grid squad. The Indians proved that their talent towered over the Lebanon squad as they held them scoreless while the Indians were racking up 42 points.

But the dark clouds loomed ahead as the Indians set for their conflicts with their N.C.C. rivals from Richmond and Tech of Indianapolis. The Indians met the Richmond squad on September 19, a fateful day for the Indians. The Red Devils literally overpowered the Indians as the Tribe failed to get a good foot hold at any time in the game. The Red Devils won that N.C.C. encounter, 66-13.

Still a little weak from the Richmond encounter, the Indians met Tech. The Tribe fought hard, but again this was not their day. The Cartermen dropped the 20-to-13 contest to the Tech Green Wave.

The N.C.C. lights began to glow a little brighter as the Indians met and defeated their N.C.C. opponents from Marion and Frankfort. The Tribe defeated Marion 20 to 12, with Don Vance scoring all three touchdowns and Roger Whitehead converting those all important extra points. Frankfort put a little more scoring power against the Tribe, but the Hotdogs' defense faltered a little too much. With the Indians taking advantage of every

possibility, Frankfort was forced to relinquish the Indians a 20-to-35 victory.

The second annual homecoming was a disappointment to the Indians. The Redmen were built up for the contest but not so high as the Howe squad, which came from a 14-to-25 deficit to gain a 39-to-25 victory.

Anderson seemed to be winning its games in pairs as it captured wins from Auburn and Elwood, in that order. The Auburn tilt proved to be a nightmare for Auburn roosters. The Indians won going away, 27 to 6. The Elwood game proved to be the Indian's best showing of the year, both in spirit and ability. The Tribe was behind 21-to-7 going in the fourth quarter at which time they exploded for three touchdowns. Again Leverette, Mathews, Vance, and Whitehead were offensive heroes while Stottlemyer, Dearing, Bathauer, Sink, and Barnes worked on the Elwood line. The final score of the conflict was Anderson 27, Elwood 21.

The final game of the season was held at New Castle. The Tribe stumbled and were defeated before the Trojan onslaught by the score of 19 to 13.

Overall the Indians won six and lost four. Included in this record were two wins and three losses which were given the Indians at the hands of the rugged North Central Conference.

The squad met before the student body at the Fall Honor Convo and announced their team captains: Jack Sink and Bob Barnes. This completed the most successfull season the Indians have had in a great many seasons.

Reserves Have Rough Season

The Indians "B" team had a rough season this year. They started each game without a victory and finished each with the same record. During the season they won none, tied none, and lost seven.

But considering the closeness of most of the contests, the Indians were on their toes defensively, but were unable to cash in the chips when they were needed most.

The reserve boys started the season with a tough contest against the Marion Giants "B" team. The final score as the Giants edged out the Indians was 7 to 0. The next Tribe encounter was the Tech of Indianapolis reserve squad. The results of the contest were not favorable to Coach Byfield, since the Indians were unabel to quiet the Green Wave uprising and consequently lost the game by the score, which Tech thoroughly approved, 19 to 6.

The reserve boys didn't help their record when they faced the reserve boys from Muncie Central, in fact they took a step in reverse. The Tribe was rolled over by the Munsonians by the score of 37 to 0. But the squad partially compensated for this trouncing the following week when they held the same team to 14 points while the Tribe scored 6.

Next the Papooses fell under the feet of the Jeff of Lafayette Broncos. This contributed another gray hair to the head of Coach Byfield. The Tribe again failed to quell another upspurt and consequently lost to the Broncos, who scored 14 points while the Indians failed to cross the Broncos' goal line. The rematch with the Marion Giants proved to be a heartbreaker for the reserve crew, but as was evident throughout the season the Indians didn't seem to be able to cash in when it was most neccessary; conquesntly the Papooses lost the contest by one lonely point, 6 to 7.

The final game of the season proved to be another heartbreaker as the reserve squad completed a heartbreaking season with a 6 to 7 loss to New Castle.

Freshmen Even All Around: 2 Wins, Two Losses, 2 Ties

Two wins, two losses, and two ties describe very fully the close contests the frosh footballers from Anderson High School compiles in this fall.

In their first two ball games the frosh had the distinction of not having been scored against as yet. They fought to a scoreless darw in their first contest which was against Marion. On their next outing they defeated Wilson of Muncie by the score of 6 to 0.

The third game rolled around and still the frosh were undefeated and only scored against once. The third game ended Elwood 7 Anderson 7. But trouble was ahead as the frosh ventured to Lafayette for an encounter with the Jeff Fresh. This was the Anderson squad first defeat. The score was 14 to 0 in favor of Lafayette. The next contest was particularly bad for the frosh, since Jeff had held them scoreless once before that season. But Anderson didn't have it and Marion did; consequently the Marion squad won 20 to 0.

State C. C. Crown Comes Home Seventh Time

Again, again, again, and again. This may be monotonous but it's wonderful music to Coach Carl Bonge, who coached the Anderson Indians to their seventh State Cross Country victory in as many years as the sport has been on the state championship level.

The Indian harriers also brought Anderson High School the North Central Conference Campionship, which they have won every time since the initiation of the sport on the level of a conference championship five years ago.

All told the Indians won 11 meets this year, a few of which were the Marion Invitational, N.C.C. Meet, Sectional, and State Meet. The Indians won their initial victory at the hands of the Marion Giants on September 23. Victories followed from Tech of Indianapolis, Howe, Marion Invitational, Burris of Muncie, Richmond, Muncie, N.C.C. Meet, Sectional Meet, Shortridge and finally on November 1, the State Championship.

The contest with Indianapolis Tech was the closest of all the meets in which the Indians participated. The Indians skimmed by the Green Wave by the score of 25 to 30.

The Indians were led across the finish line at the State Meet by "Barefoot" Ron Etherington. It seems Ron always ran better without shoes. Ron was also elected team captain.

Tribe Successful In 15 Attempts Of 23

Thrill-packed games dominated the entire Anderson Indians' schedule from the beginning of the season on November 25, 1952, to the final game of the Sectional on February 28, 1953.

Coaches: Seated—Head Coach Henry Potter.
Standing—Assistant Coaches Carter Byfield, Don Barnett.

The Indians started the season off on the right foot by defeating Greenfield, on the first night of the hardwood season, by the score of 54 to 45.

The Tribe followed that first win with wins number two and three. Win number two was at the hands of the N.C.C. rival from New Castle. The third win was another N.C.C. victory, this time from Marion.

Saturday, December 6, was a cold night for the Indians as they were to receive their worse defeat of the entire season. This defeat was at the hands of Fort Wayne Central, who won going away, 72-45.

Lafayette handed the Indians their first loss of the season in N.C.C. tilts. Although the score showed that the Indians put forth a rugged try, Jeff won by the score of 57 to 63.

The Indians' fourth win was a thrill, chill, and spill packed game which they took into an overtime to beat New Albany, 67 to 73.

Muncie was a stumbling block the entire year for Coach Potter's boys;

they lost to them on December 19, by the score of 67 to 77 and again on Friday, January 16, by the score of 63 to 75.

Marion and Shelbyville were the next victims of the Indians, the Marion win constituting the third victory in the N.C.C. It was overtime.

The most exciting victory of the year was the Indians' win over Tech of Indianapolis, one of the most highly rated teams to come to the Wigwam. They sported an eight-win, no-loss record. The Indians stopped them short with an outstanding score of 68 to 51.

Lawrenceburg and Frankfort fell to the Indians before Kokomo got hot and beat the Tribe in an overtime struggle, 68 to 66.

The most outstanding victory of the year was the Indians' win over the state champs to be, the South Bend Central Bears. The Tribe traveled all the way to South Bend and upset the Bears by the score of 70 to 73.

Then the Indians reversed their field a little and lost two in a row, first to Logansport, 68 to 69, and to New Castle, 67 to 72. But the Indians ended the season stupendously by defeating Richmond, another state tourney finalist, by a score of 50-47.

Scrappy, Talented Papooses Are Successful

Capturing the 'B'' team tourney at Anderson proved to be the highlight of the season for Coach Carter Byfield's scrappy Papooses. The ''B'' team tourney was won at the hands of New Castle and Muncie. The Papooses tallied identical scores in both of these games. They defeated New Castle 41 to 26 and Muncie 41 to 35

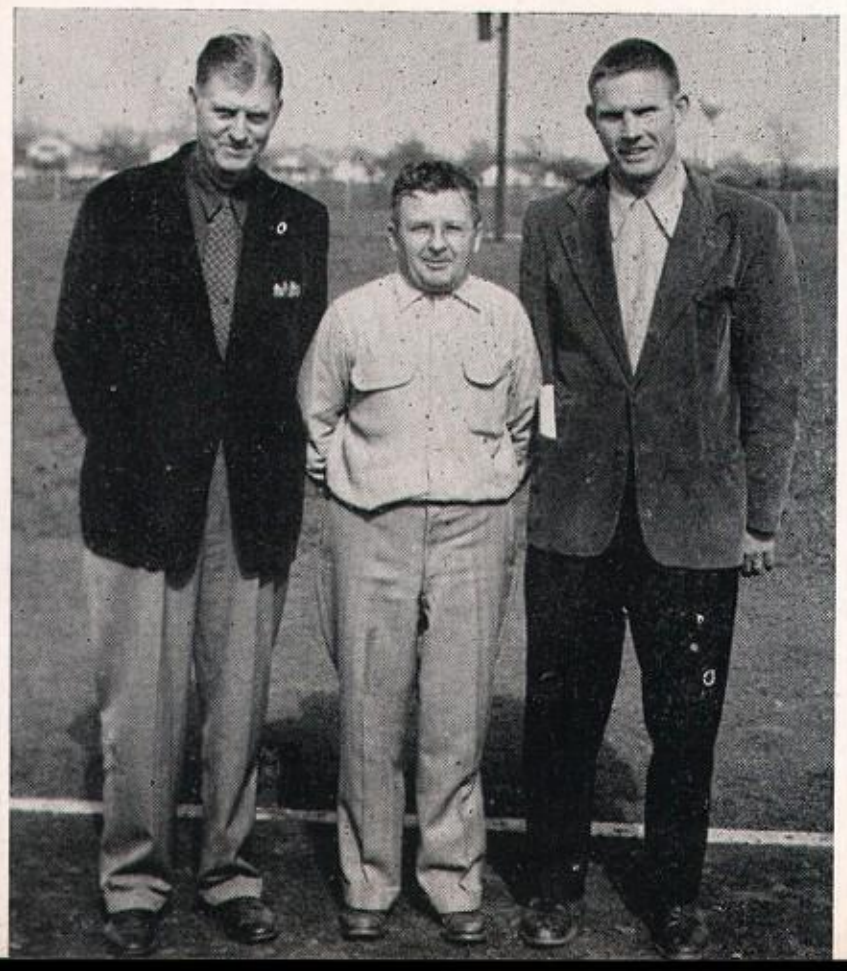
Indians Hampered By Weather, Injuries

Although bad weather hampered the Indians' progress, and injuries seemed to come at the wrong time, the Tribe was successful in winning four meets at the time this story was written.

The highest point in Coach Bonge's year appeared in a junior, Bill Jones. Bill, a slender, blond-headed polevaulter, topped 12 feet 1 inch to tie an old Anderson High School record which had stood since 1922. Then again on the day of the I. H. S. A. A. Sectional, Bill went wild. He didn't stop at 12 feet 1 inch, but went on to clear the bar at 12 feet 7 1-2 inches.

Left to right—Assistant Coach Ray Fleenor, Coach Carl Bonge, Assistant Coach Carter Byfield.



Seniors Bill Mathews, Ron Etherington, and Dick Miller also did themselves well. Bill Mathews came within a few inches of beating another old AHS record in the shot put. Ron Etherington and Dick Miller claimed some of the best times in the state in their respective events. Etherington is shown on page 78. The other runner in the picture is Tom Archey of Marion. This is the first time Ronnie was beaten.

Coach Bonge had several underclassmen who can hold their own in anybody's field and will give a threat to other teams in the state next year.

As the Tribe emerged from the Muncie Sectional and prepared to enter the I. H. S. A. A. Regional, which was to be held by the Green Wave of Indianapolis Arsenal Technical, everything seemed to happen. Bill Jones, who was expected to place high in the state championship meet, hurt his foot while practicing and was unable to qualify for the State. The Indians were successful in qualifying twelve men for the Regional.

After the Regional only three men remained to represent the Anderson Indians in the state meet. These representatives were Jim Leverette, broad jump; Ron Etherington, half mile; and Bill Mathews, shot put. The outcome was not know at the time of publication.

Reserve, Frosh Undefeated As Annual Goes To Press

Prospects for Anderson track look good as the freshmen come down to the wire undefeated.

Another good sign is the overwhelming margins by which the frosh are beating their foes. And then still further, many of the freshmen have been running with the B team and some even on the varsity.

The Papooses' most outstanding win of the season was the capture of the freshman relays which were held by North Side of Fort Wayne.

The reserve squad, pictured with the varsity on page 79, was also undefeated as this copy was being written. A good sign was the fact that all of the reserves' wins over teams of of the mighty tough N.C.C. members. The reserves were also heavy scorers as they racked up as high as 88 points against one team. That team was the Richmond squad, who scored only 20 in that contest. Muncie Central, Tech of Indianapolis, Marion, and Kokomo were among the squad's other victims.

Many "B" team and freshman boys were pushing the upperclassmen for varisty berths and sometimes they got the berth. This is good news to Coach Bonge, as he has many future prospects in these unheard-of heroes of the reserve squad.

Potter's Boys Showed Power, Skill

Coach Henry Potter's boys showed skill as well as power as they sought to upset their foes from the surrounding territories. The Tribe showed its power when it scored 15 and 10 runs against Howe and Logansport, respectively. But they showed skill as Indian pitchers proceeded to pitch three shutouts. And that doesn't include the games not played when this story was written.

Wally Smith, a senior, pitched one of the shutouts, while Dehority and Lutton paired for the shutout against Hartford City. Lutton, a freshman, came back three days later to pitch another shutout of his own.

The Indians were successful in winning eight and losing only two of the tilts they were engaged in.

The most exciting game of the year, defensively, was the game with their N.C.C. rivals from Richmond. This was the game in which Wally pitched his shutout. But the Richmond crew did well also, allowing the Indians only one run. The win was one of three winning N.C.C. competitions. They lost only two.

G. A. A. Encourages Participation, Intelligent Watching

Participation, intelligent spectators, and sportsmanship training constitute the major factors of the Girls Athletic Association.

The girls are awarded for their efforts in G. A. A. just as boys on our high schools teams are awarded. Each year a girl in G. A. A. earns 70 points she is entitled to a chevron. When a girl earns 150 points she is given an Indian Head. With 250 points she receives a plaque which is given by the State League of G.A.A.

The points for the awards are given on the basis of participation and upon tests. Ten points are given for participation in a major sport and five points for participation in a minor sport such as swimming, hiking, dancing, and skating.

But above all these awards are the ones that everyone wants. These are the sportsmanship and honor awards. Both of these awards are voted on by the members of the group. The sportsmanship award is given on the basis of good sportsmanship in and out of G.A.A. The honor award is given on the basis of athletic ability, leadership, and scholarship. The winners this year were Violet Dugger, honor, and Roberta Willis, sportsmanship.

G. A. A. Council: Bottom Row—Mrs. Barbara Dietrich, sponsor, Doris Tway, Phyllis Beauchamp, Barbara Marshall. **Row II**—Jesse Willis, Barbara Moore, Phyllis Jolly. **Row III**—Violet Dugger, Joan Diggs. **Row IV**—Alice Masters.

Education From Our Teachers And Friends Will Speak For Specialization In Life

High schools were the result of a need to educate the people further. In Anderson High School students can be taught to some extent in every field of occupation in which they wish to enter. Around the picture of Charlene Bonge, Don Peck, and Mr. Charles C. Denny, various occupations are shown in which at least a partial knowledge of the tasks can be learned in A.H.S. These are clerking, telephone operating, industrial machining, salesmanship, and pharmacy. All of these occupations require at least a high school education to be engaged in successfully.

Senior Class Staged "The Curious Savage"

Standing—Wanda Flatt, Barbara Huber. **Seated**—Clarke Smith, Marcella Zaiser, Jim Ault, Kathy Steele.

The senior class play, directed by Miss Alice Higman, was an unusual comedy that took place in an institution for people slightly insane. The lead was handled by Kathy Steele and the student director was Jerry Current. Kathy portrayed an eccentric old lady who was using her family's ten million dollars to help people to be foolish. Her step-children had her put in an institution to keep her from wasting the money. The play brought out well that those outside of the institution were just as crazy as those in it.

Walt Bagot, Carol Yattaw, Gary Schuster, Dick Canada, Kathy Steele, Nancy Schubert.

Standing—Nancy Trainer, Jim Lutes, Bob White, John Yarling, Roberta Critser, Jerry Current, Jack Raper. **Seated**—Doris Ann Tway, Lou Iris Parmer, Joan Diggs, Diane Davis, Kay Boardman, Barbara Hosek.

Many of the students in the fourth hour dramatics class that produced the play knew very little about dramatics when the semester started, but by the time the play was produced they were all experts at their jobs.....whether it was acting or the not so glorious crew jobs such as props, makeup, publicity and set design. The whole experience was enjoyed and a great feeling of satisfaction and pride at the final production was the reward of all the work put into the play.

Junior Class Officers—Yolanda Breeden, treasurer; Sandra Highbaugh, vice president; Betty Taggart, secretary; Gary Babcoke, president.

Juniors . . .

Sponsors
Miss Dorothy Campbell
Mr. Howard Burnett

. . . almost to that final year, sponsor the big social affair of the school season, commonly known as the Junior Prom. The event this year, a huge success, was entitled "Coronation." The queen, who had three attendants, reigned over the dance from a throne of gold. Less glamorous, but more economical, the juniors took over the candy stand and ice cream sales so that they might increase the class treasury. Many of the monitor positions and student assistants' parts were filled by the members of the class of '54. Well on their way to becoming members of the class who march down the aisles to the strains of "Pomp and Circumstance," the juniors have put out a lot of effort to have a top-notch class.

Sophomores . . .

. . . have more or less gained a place in the world-maybe more, possibly less. High school is old stuff and walking halls isn't unusual any more. This year the sophs had a wide assortment of jewelry to choose from, and when the order finally arrived, they were quite proud to wear their own class rings. This was also the year to select class colors, those for the class of '55 being navy blue and white. Permanent class sponsors were also elected by the students. Under the leadership of their sponsors and officers, the second year guys ard gals are doing a swell job of keeping up a good class.

. . . plow through that first year at Anderson High School, managing to dash madly from physical ed to study hall in 306 and to remember all those dates for world history. For some, it's a pretty rough year to complete, for others it's a little easier, but for all these frosh it's the beginning of a four year career, with new people to meet, new places to go, and last but not least, new lockers to attempt to conquer. The most important events for this class are the election of class officers, temporary sponsors, and homeroom officers, who form the class executive committee. All in all, it's a pretty big year-that first one in A. H. S.

Goldsberry Won Fervent Campaign

Mr. Keith Hertweck, sponsor of the freshman Class, congratulates Ralph Goldsberry, their first president.

With the aid of many friends and a strong will to win, students went through the process of running for class office. Many lost the campaign and won experience and a few left the school the evening of the elections with the glorious feeling of victory and popularity.

Pictured here is the campaign of Ralph Goldsbury who was victorious in the freshman election near mid-term. The victor is shown in the following steps in his campaign: Presenting his application to run, to the sponsor, passing cards among his classmates, and being helped by friends while hanging posters.

School Board Plans Program In Music And Other Activities

Many programs are planned each year by the School Board. Under their new superintendent, Mr. G. E. Ebbertt, they have planned an extensive program in music, athletics, and other wholesome activities.

Mr. Sharp works along with Mr. Hutchisor in formulating policies and other necessary educational programs for our school. He also has charge of the book store. Every new semester Mr. Sharp can be found supervising the sale of new books. Mr. Sharp is also in charge of setting up a monitor system for the first period.

Repainting our school, putting a new entrance on the north-west door of the gym, and putting new fluorescent lights in the front hall are some of the things the School Board has done for our school this year.

Others who aid our school and keep it progressing are Mr. William I. Hutchison, principal, and Mr. James M. Sharp, vice principal.

Mr. Hutchison formulates policies, makes out the school calendar and works on programs for the entire school body. Mr. Hutchison's daily duties include making announcements over the P. A. system, arranging meetings in their respective places, and a multitude of other functions.

MR. G. EVERETT EBBERTT, Superintendant
MR. WILLIAM I. HUTCHISON, Principal

Both Mr. Sharp and Mr. Hutchison have had the opportunity of accompanying some of the classes when they took trips to other schools such as when Choral Club went to Warren Central.

Their jobs are quite a lot in number but they always manage to greet the students with a smile and help them in any way they can.

Deans Check Absentee Slips; Custodians Keep School Clean

Bells ringing, announcements made, teachers putting absentee slips out, deans checking slips, periods come and go, counseling office assigning counselors, office staff typing material, custodians beautifying our school. With the cooperation of students, administration and faculty these things have been successfully carried out through this school year.

Mrs. Austin Arranges Programs; Counselors Give Advice

Playing a large part in the lives of every student here in school are the teachers. The faculty is composed of 103 members.

This past year there have been several new teachers. Mrs. Marilyn Austin and Mr. Keith Johnson are the new librarians and Mrs. Ruthanne Imler is the new school nurse. Teaching English this semester is Mrs. Mary Jane Heckman, who joined the faculty in January.

One of our teachers, Mr. Brown, has become a doctor. In February, 1953, Mr. Brown received his doctor's degree in guidance at Indiana University.

Again the counseling staff under the supervision of Dr. Brown arranged Visitation Day and Career Day to familiarize students with the fields they have chosen to follow.

One of the most important jobs in our school is registering and arranging programs for students, which is done by Mrs. Marjorie Austin. Mrs. Austin also has office helpers who help type and mimeograph the material needed.

Really, teachers' lives aren't as dull as they sometimes seem. Recently Mr. Gilbert Peart attended a National Distributive Education Conference in Dayton, Ohio, and Miss Mary Ruth Palmer and Mr. Thomas Clem attended a music convention in Milwaukee, Wisconsin.

Teachers can participate in the Men's Faculty Club and the Women's Faculty Club. Presidents for the respective clubs are Mr. Keith Hertweck and Miss Eileen Johnson. The Women's Faculty Club presented gifts to Mrs. Betty Jo DeHart and Mrs. Pauline Dadds, who left our school. Both clubs through the school year have dinners and other social gatherings.

A typical scene every morning is the teachers pulling mail out of their post office boxes

Mr. Ray Fleenor illustrates a remark with his trusty chart

Choose Your Goals...

they are yours to attain

Graduation is a lot like the launching of a ship. Both mark the end of a period of preparation.

Behind a launching are years of planning and building—of fitting out with all the gear needed for fair and foul weather.

Behind graduation are years of acquiring information—of practice in exercising judgment and in setting values. All are intended to equip you to make the right decisions in the years to come. Behind, too, are the good times you've had, the companionship of many friends—and the wise counsel of those who have been your teachers.

As you chart your course toward a new goal—whether it be the pursuit of a higher education or success in earning your own way—be thankful for the American tradition of individual freedom. Because of it, you are free to choose your goal. And you are free to achieve it by your own hands and brain, by your energy and industry, by your determination and self-reliance.

Good luck and Godspeed!
